

Safety data sheet/ EG-Sicherheitsdatenblatt

Date of establishment: 17/12/02
Revision date:

Product/ Product group: **Graphite paddle with wooden handle**

1.1 Substance/Preparation and Company Name

1.2 Information on the product

1.3 Information on manufacturer/Supplier

Supplier: **Tiffany Glaskunst GmbH**
Street: **Helleforthstr. 18-20**
UIP Code/town: **D-33758 Schloß Holte Stukenbrock**
Tel.: **+49 5207 91280**
Fax.: **+49 5207 912840**
e-mail: **tgk@tgk.de**
Internet: **http://www.tgk.de**

Telephone number in emergency cases: 05207-9128-0

2. **Composition/Information on Ingredients :**

Artificial carbon graphite of the quality EG – 1500.

3. **Possible hazards:**

None.

4. **First Aid Measures:**

None.

5. **Fire fighting measures:**

None.

6. **Accidental release measures:**

Personal protection measures:

None.

Environmental protection measures:

Graphite dust is insoluble, therefore, do not let it pass into canalisation.

Measures for cleaning up/taking up

Exhaustion recommended while processing the product.

7. **Handling and storage:**

Handling:

Information for secure handling:

Exhaustion at working place in case of formation of dust.

Storage:

Requirements for storage rooms and containers:

Dry and cool storage.

8. Expose controls and personal protection:

Technical protection measures:

No information, refer to section 6.

Additional information on design of technical plants:

Ingredients with limit values on working place which have to be controlled:

No information

Respiratory protection:

Only in case of formation of dust.

Hand protection:

None.

Eye protection:

None.

Body protection:

None.

General information:

Clear water should be provided at working place in order to wash eyes and hands.

9. Physical and chemical properties:

▪ Form:	rectangular
▪ Colour:	black
▪ Odour:	neutral
▪ Specific gravity:	1,70 g/cm ³
▪ Solubility in water:	insoluble
▪ Explosion danger:	not explosive
▪ Ash content	100 ppm

10. Stability and reactivity:

No information

11. Toxicological information:

No affection in case of inhalation, ingestion or skin contact.

12. Ecological information:

Dry graphite residues can be disposed of together with regular waste in accordance with regional regulations.

13. Disposal considerations:

Adhere to regional regulations for disposal of carbon.

14. Transport information:

Not dangerous for transport according to transport regulations.

15. Regulatory information:

No marking obligation according to Gefahrstoffverordnung (Regulations for dangerous goods) of October 1986.

16. Other information:

The information contained herein is based on the present state of our knowledge and does not therefore guarantee certain properties. Recipients of our product must take responsibility for observing existing laws and regulations.
